

Standards Update provides you with updates on national, regional and international standards status pertinent to your business.

These reports cover updates on the revision, confirmation, amendments or withdrawal of the standards. Just list out the standards and get the status update twice a year!

THE BENEFITS

- 1** Notifies you on new standards and amendment updates.
- 2** Helps you to monitor the latest development of standards to facilitate trade.
- 3** Provides you two (2) Standards Update reports per year (every 6 month).
- 4** Assist you to ensure customer satisfaction by complying with relevant and latest standards.
