B. STEPS TO REGISTER COURSE

1. From the Catalogue, select the course you wish to register for and click **Register Now**.

Introduction to ESG (e-Learning)

[Back to Catalogue →](#)

OVERVIEW **ADDITIONAL DETAILS** **PRICING**

Course Overview

In today's evolving business landscape, sustainability and responsible practices have become essential for long-term success. Environmental, Social, and Governance (ESG) refers to a set of measurable criteria used to assess how organizations manage risks and opportunities related to environmental stewardship, social responsibility, and ethical governance.

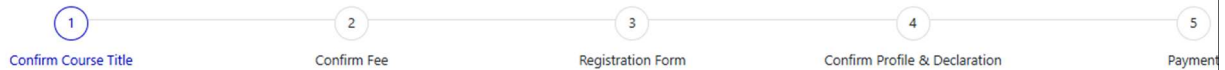

The Introduction to ESG course provides participants with fundamental knowledge of ESG principles, frameworks, and reporting practices. It explains how ESG supports sustainable development, enhances corporate reputation, and drives organizational resilience in alignment with global sustainability goals and national priorities.
