

SIRIM CERTIFIED QAQC EXECUTIVE (CQAQCE)

PROGRAM OVERVIEW

SIRIM Academy has established this Certification Scheme for SIRIM Certified QAQC Executive. This scheme aims to provide clear guidance for the assessment and certification of individuals seeking to demonstrate their expertise and competency in quality management. Committed to adhering to international standards, SIRIM Academy ensures that all activities under this Certification Scheme maintain objectivity and impartiality in accordance with ISO/IEC 17024.

OBJECTIVES

- To offer a reliable and recognized certification for certified personnel, validating their competence and proficiency in their respective fields of expertise.
- To provide acknowledgment as a means for professionals to showcase their knowledge, capabilities, and competence.
- To offer clear guidance for the assessment and certification of individuals seeking to demonstrate their knowledge and/or competency in Quality Assurance and Quality Control.

JOB DESCRIPTION

A Certified QAQC Executive is a professional who specializes in quality assurance (QA) and quality control (QC) within various industries. They are responsible for ensuring that products, services, and processes meet established quality standards and regulatory requirements.
